

System Variables

2024-05-16

Menu: Admin → System Variables

You should be VERY cautious in editing these values. If you don't know exactly why you are changing a value, then ask support for help.

Some variables that need to be updated annually:

Crop Defaults:
Crop Year : e.g. 0 or 2015

- Examples:
- LabNumPrefix: 15-
 - d.sam.reg_prefix: 15-R
 - OECDPrefix: USA (CA) 10-
