

Field Search

2024-06-30

Menu: Fields → Field Search

Use this screen to search for Fields and navigate to Field Applications.

You will want to review the field applications that were created. To do this, go to the Field Search menu item, enter query terms (e.g. crop year=2015). Then press Apply Filter.

[-] Field Search
 Filters with * will be exact matches, others will be partial ("Co" matches "Com" not "Acorn")

* Crop Year * Seed Class

Field Number Crop / Variety /

Remark (hint: Use to find rollover sets)

* Producer

* Grower

Field List [\[Help\]](#)

Click on any field found, and PH will take you to the application that field is on.
